# Why Exhibit at EX-IN Nigeria 2026

**Connect. Collaborate. Experience it al**

**EXIN 2026 —** Exterior and Interior Nigeria is the definitive marketplace for the design, architecture, and construction ecosystem in West Africa. As the region's leading event for interiors, exteriors, building materials, and design technology, it offers exhibitors unparalleled access to decision-makers, specifiers, and buyers driving Africa's built-environment transformation.Top Reasons to Exhibit

### 1. Reach the Right Audience

Meet thousands of qualified trade buyers, architects, designers, contractors, developers, and retailers seeking the latest products and solutions for their projects.

### 2. Showcase Innovation

Launch new products, display your latest designs, and demonstrate technologies that shape modern living and working environments.

### 3. Strengthen Your Brand Presence

Position your company as a key player in Africa's growing interior and exterior design market — where visibility drives business growth.

### 4. Generate Quality Leads

Benefit from direct B2B connections and pre-scheduled buyer meetings that help you close deals and expand your distribution network.

### 5. Build Strategic Partnerships

Connect with distributors, project owners, government agencies, and real-estate developers seeking reliable partners and suppliers.
